SERVING UP SOME FUN

JR. LOPER VOLLEYBALL

YMCA Jr. Loper Volleyball program focuses on teaching fundamentals, sportsmanship and teamwork through games and drills. We follow an "everyone plays" motto which means that during the season every player receives equal practice time and plays at least half of every game. As part of a team, everyone contributes to the team's success. We believe that kids who have fun playing sports build a lifetime love of healthy competition, and the best way to keep it enjoyable is to keep everyone involved. Teams will be formed based on grade and school attended.
