The Buffalo County Fair, in partnership with the Heart of America Shows Midway and Midway Auto Dealerships, will be providing children and adults with developmental and/or physical disabilities to a private day at the Fair. The Buffalo County Fair is teaming up with several volunteer groups to make it possible for children and adults who would otherwise not be able to attend the fair, have one of their own fair experiences.

We will have volunteers on the grounds to help facilitate individuals onto rides and with the games so please R.S.V.P. back to us so we can have plenty of volunteers available to make this day a success! Registration will begin at 10:00 am in the Exhibit Building. You will receive a wristband for the rides and your free lunch ticket and any extra details you need to know.

There will be a variety of sensory activities and games available in the Exhibit Building. We will have volunteers available to assist individuals onto the Midway Rides. We also will have several variety entertainers putting on a show during this event so don't miss out!
