MICRO PROGRAM

SPRING 2019 MICRO PROGRAM

Boys and Girls Under 5 & 6 (Birth-dates of 2013 & 2014)

The 2019 Spring Micro Soccer season features five play-dates and will kick off with the first play date on March 24.

Play date sessions are generally an hour in length and feature a parental volunteer who organizes and manages each session. The parental volunteer is supported each session by a KSC select team – who will offer energetic and enthusiastic training and demonstration, focusing on basic skill development. A great introduction to the sport in an organized yet fun manner. Included in and an important part of each session is a 4v4 game vs an opposing micro team.

Micro Soccer is an introductory program with the focus on discovery, fun and skill development. Players are placed on teams by age and gender, usually 5-6 players on a team. Parental volunteer coaches are provided with a practice curriculum and great training support each session by one of our Kearney Soccer Club select teams.
