

**February 2019**

### **Important Dates**

We want to take this time to remind you of some **important upcoming dates:**

- February 4-8: RP Week: Students may Apply/Reapply for an RP
- February 7: Spring Parent-Teacher Conferences 4:00-9:00 pm
- February 11: Spring Parent-Teacher Conferences 4:00-8:30 pm
- February 12: Spring Parent-Teacher Conferences 4:00-8:30 pm
- February 14: NO SCHOOL-Conference Comp Day
- February 15: NO SCHOOL-Conference Comp Day
- February 20: 9th Grade Registration Meeting @ KHS 6:00 pm
- February 27: NO SCHOOL - Professional Collaboration Day
- March 4-8: RP Week: Students may Apply/Reapply/Replace an RP
- March 8: **2-Hour Early Dismissal**-End of Term 3
- March 11: Term 4 Begins
- March 14: Term 3 Report Cards Sent Home
- March 15: NO SCHOOL - Professional Collaboration Day
- March 18-22: NO SCHOOL-Spring Break

### **Parent - Teacher Conference Format for Spring Semester**

We will be conducting Student Led conferences second semester. We believe that student led conferences will teach self evaluation, real life skills, communication, organization and leadership skills. The purpose of these conferences is to increase communication between school and home, with the focus on student learning and achievement. You should have received information from the teams regarding conference sign-up. Please call the school at 698-8120 if you need any other conference information.

**Conferences for Horizon Middle School for the spring of 2019 will occur on the following days and times:**

**Thursday, February 7th, 2019 4:00 - 9:00 P.M.**

**Monday, February 11th, 2019 4:00 - 8:30 P.M.**

**Tuesday, February 12th, 2019 4:00 - 8:30 P.M.**

Please take some time and talk with your child about his/her school experience before conferences. Find out from your son or daughter the areas in which he/she feels successful. Also, ask your child about challenges he/she may have. This information may be helpful for you at conferences.

### **Valentine's Day**

**NO DELIVERIES TO HMS WILL BE ACCEPTED FOR VALENTINE'S DAY!**

## End of 2<sup>nd</sup> Term

Second term was completed December 21st and report cards were sent home with students January 11th. If your son or daughter did not bring you a report card please contact the school or login to your child's Infinite Campus account.

## Current 8th Grade Parents-9th Grade Registration Meeting

On **Wednesday, February 20th** there will be a meeting for all current 8th grade parents. The meeting will be at Kearney High school concert hall at 6:00 pm to discuss 9th grade registration. Please plan to attend to answer all your questions about this process.

## Reporting Student Absences

Any time a student is absent from school, it is the responsibility of the parent or guardian to notify the attendance secretary to verify the student's absence. If students are absent or will be tardy, a parent or guardian must notify Horizon that day (between 6:00 A.M. and 9:00 A.M.) with a reason for the absence or tardiness; however, parent notification does not guarantee the absence is excused. It is the responsibility of the administration of the school to determine if absences are excused or unexcused. The notification must be made every day the student is absent unless other arrangements have been made. The number to call is **(308) 698-8142** (messages may be left on voicemail 24 hours a day). If the student is absent from school and no phone notification has been received from the parent/guardian, the school will contact the parent's/guardian's home or business to determine the reason for the absence. When you are reporting your child's illness to the school secretary or on the voice mail system, **please include what symptoms of illness your child is experiencing.**

## Testing/Assessment Sessions

As we begin the second semester at Horizon Middle School, we know there are several testing / assessment sessions coming up for your son or daughter. The Nebraska Department of Education has constructed assessments that are administered across the state called the NSCAS- **Nebraska Student-Centered Assessment System**. Students are assessed in mathematics and reading in grades 6-8. Eighth grade students are also assessed in science.

The NSCAS assessments in math, reading, and 8th grade science, are scheduled to start the first week in April and will conclude by the end of April.

Following the Nebraska State Assessments, Kearney Public Schools will begin the final segment of standardized testing which you know as MAP or Measure of Academic Progress testing. Students at Horizon Middle School completed fall MAP testing last September and winter MAP testing in December. MAP testing scores from this spring's testing, which will occur during May, will be compared with fall testing to measure students' academic growth.

Spring is a very "assessment rich" time in the school year. We ask you to support your children by talking to them about the assessments and encouraging your son or daughter to do their best. These assessments play a part in determining which classes your son or daughter will be placed in next school year so they are very important. Your continued support by providing an environment at home that allows students to receive proper nutrition and sleep, is essential to student learning and achievement. Thank you for the support you give your children in their education.

## National Assessment of Educational Progress (NAEP)

We were selected by the National Education Department to take the National Assessment of Educational Progress or NAEP test this school year. The NAEP assessment is only given to about one-fourth of the eighth grade class. We are required to send in student names and then they randomly select students to take either a math test or reading test. A group of students have been selected randomly by the Department of Education for testing on February 5th, 2019. Letters were sent to the families of the student who was selected for the assessment. This letter should have arrived the first part of January.

## Notes from the Nurse

### Parents of current 6th grade students-

It is that time of year when we start to plan for 7th grade. 7th grade students are required to have a physical exam done by their doctor, physician assistant or nurse practitioner. This health form will be sent home in their 7th grade registration packet. If you choose to get it done before that time forms are available at the doctor's offices. You may get the physical starting in February. Please do not wait until August to schedule your appointment.

A **Tdap shot (pertussis booster)** is required for all 7th grade students. This is required before they can start school in the fall. They can get this shot at their doctor's office or at the community shot clinic.

If you have questions about these health requirements please call the school nurse.

### Medication:

Medication cannot be kept at school over the summer. Students with over-the-counter meds at school may pick them up anytime the last week of school. **Prescription medications MUST** be picked up by parents by the last day of school. **Unclaimed medications will be discarded after the last day of school.**

## Valentine Candy Grams

Valentine Candy Grams will go on sale Thursday, January 24th and will be sold through Thursday, February 7th. They will be \$0.50 and will include a card and sucker. They may be purchased in QT on Monday's, Thursday's and Friday's. Valentines will be handed out Wednesday the 13th at the end of the day. Parents may call the office (698-8120) to order one for their student.

## Feliz Día del Valentín

The 8th grade Spanish I students are improving their writing skills with a fun project involving Sunrise Middle School. Each student has a secret 'valentín' from the Spanish I classes at Sunrise. The students are exchanging information about themselves in Spanish in a series of valentines each week until Feb. 13 when they reveal their identity to their 'valentín.'

## News from the Library

### Book Fair coming soon!

This year the Horizon Library will be hosting a spring Book Fair February 7-12. The Book Fair will be open before and after school, as well as on the evenings of Parent/Teacher Conferences. Come check out our selection and support your Horizon Middle School library! Follow this link to check out what's available:

<https://bookfairs.scholastic.com/bookfairs/cptoolkit/homepage.do?method=homepage&url=horizonmiddleschool11>

## Yearbooks

Yearbooks for the 2018-2019 school year are now on sale. You can order online by going to <https://inter-state/yearbook> and entering the Code 32805P. Or you can return the paper order form sent home with your student to the Front Office of Horizon. Yearbooks are \$17 apiece. All orders are due by February 28th.

## American Heart Association

Horizon Middle School is supporting heart health and the American Heart Association with Red Out shirts. Shirts were purchased in December and were delivered mid January. Red Out Day will be **February 1st**. Either wear your Red Out shirt, or simply wear red to support the cause. Share your heart and Save a life.

## Attention HORIZON Parents:

We are continuing our behavior incentive program this year, and we would like to ask for your help. It's called JAG CASH, and we are rewarding safe, respectful and responsible behavior at Horizon.

We want to celebrate and recognize the positive behaviors we see your children exhibiting every day. As you know, funds keep getting tighter for education, and we are trying to be creative with our fundraising this year. You can help by donating a few small items to the Jag Cash Store that our students can buy with Jag Cash. Some parents have elected to donate cash and that is great as well.

Examples include (but are not limited to):

- Bracelets (rubber message type)
- Gel pens
- Glow sticks
- Target \$ Spot items
- Individually Wrapped Candy
- Gift Cards or iTune Cards (\$5 would be awesome)
- If your kid would like it, so would other students!

If you would like to donate, please send the items with your students and have them give them to their QT teacher.

Thank you for your support!

## Builder's Club

Please save these items throughout the year to be given to HMS:

- Box Tops for Education
- HyVee/FamilyFresh/AppleMarket Receipts
- Pop taps
- Labels for Education

Thanks for collecting these to help out your school and community. Students will be asked periodically throughout their HMS years to bring these to school. The money donated to the school through these programs helps us improve the classroom experience, allowing us to purchase books, technology, and events that enrich our students' learning opportunities.

## Lost and Found

We have several items that have been accumulating in our Lost and Found. Please encourage your students to check the front office for missing items.

Also, please advise your students to **lock both their hall lockers and their gym lockers**. Locks are provided to students to increase the safety of your child's possessions. Items sometimes have a tendency to disappear from unlocked lockers or if items are left in the hallway. Locking lockers and putting things away is even more important now that all of the students have Chromebooks.

It is also wise to **write names in coats and on lunchboxes, trappers, and backpacks** as many times they are left lying around. This helps those items get returned to the proper owner when they get left behind somewhere.

**When things have been sitting unclaimed in the Lost and Found for too long, we donate those items.**

## Spanish I Elective

Dear Parent/Guardian -

Thank you for your interest in learning more about the Spanish I elective class offered to 8th graders. Spanish I is a full year academic class that would count toward the two year entrance requirement for a 4-year college. It is important to note that **no language requirement is needed to graduate from high school**. The Spanish I curriculum is the same at the middle schools and the high school. Please note that no high school credit can be earned in middle school. Students may need a higher level of academic maturity in order to be successful in Spanish I. Therefore, it may be beneficial for some students to take their World language courses at the high school to increase the opportunity for success.

Students will learn basic knowledge of the language through listening, speaking, reading, and writing. An integrated, hands-on curriculum is used to introduce vocabulary and sentence structure necessary in building beginning conversational skills. The course also emphasizes the study of Hispanic countries, customs and cultures.

Suggested prerequisites and skills for success:

- C or better in 7th grade Introduction class
- C or better in English and Reading courses
- Memorize and retain a large amount of vocabulary
- Comprehend many grammar concepts
- Complete several homework assignments per week
- Limited attendance issues
- Responsible work ethic
- Proficient time management

If you have further questions regarding registration for eighth grade Spanish please contact the World Language department at your child's school.

### ***From The Band Department***

**COOKIE DOUGH SALES** will be starting FEBRUARY 11<sup>th</sup>. This is our annual fundraiser and how we pay for music, cleaning of instruments, equipment, honor bands, bussing to school events, etc. Please consider making a purchase towards our band department or making a donation.

**NEXT BAND CONCERT IS:** TUESDAY, MARCH 12<sup>TH</sup>, 6:00PM, AT KEARNEY HIGH SCHOOL'S AUDITORIUM.

Thank you.

### **Orchestra News**

Thursday, February 21st is the date for the Middle School Orchestra Concert. This will be held in the KHS Concert Hall and will begin at 7:30 pm. The concert will be free with a suggested donation.

The annual 6th grade orchestra trip to Omaha was January 30th, 2019. Sixth-grade orchestra students had the opportunity to attend a performance by the Omaha Symphony and tour the Henry Doorly Zoo. It was a great day!

Our cookie dough fundraiser will begin on February 12th. Students are encouraged to sell cookie dough to help raise funds for the orchestra program. Money raised will go toward purchasing new instruments, music, storage facilities, and more. Cookie dough orders will be delivered on March 26th.

### **Vocal Music News**

**COOKIE DOUGH SALES** will be starting FEBRUARY 11<sup>th</sup>. This is our annual fundraiser and how we pay for music, honor bands, bussing to school events, etc. Please consider making a purchase towards our music department or making a donation. Cookie dough orders will be delivered on March 26th.

## Boys and Girls 8th Grade Track

The track season is right around the curve and we will have organizational meetings to get ready.

Our initial meeting for just the athletes will be Thursday, FEBRUARY 28th after school. The boys will meet in Mr. Hedges' room (805), the girls will meet in Mr. Kropp's room (514). It is important for your son or daughter to attend this pre-season meeting or contact their coach if they can't attend.

Our first practice will be Monday, MARCH 4th. We will have a meeting for parents Thursday, MARCH 7th at 5:30 pm in the HMS Cafeteria to introduce our coaches and answer questions. Our first track meet is at home on Tuesday, MARCH 26th. For a schedule of the track meets, go to Horizon's homepage and click on HMS Athletics Schedule (located on the left).

Underneath the calendar on the right, scroll down in the View Schedules window and click on the either Boys or Girls schedule and then click view.

We will use a texting service to send out information from time to time. If you know your son or daughter will be participating in track, you need to get on this list. Just text the phrase "**@horizontr**" (in the message window) to the number "**81010**" (in the To: window). There is no need to download the app, it just adds you to our texting list for track events.

We look forward to working with your sons and/or daughters. Please contact the respective head coach if you have any questions.

**Thursday, FEBRUARY 28th** - First meeting for athletes after school

**Monday, MARCH 4th** – First day of practice (after school)

**Thursday, MARCH 7th** - Parent meeting at 5:30 in HMS Cafeteria

**Tuesday, MARCH 26th** - First track meet (it's a home meet) at 4 pm
