Dear Parent/Guardian:

The Kearney Community Learning Center (KCLC) will provide an academic based program at Bryant, Central, Emerson, Kenwood, Park, Buffalo Hills, Windy Hills, Meadowlark and Northeast Elementary Schools, and Sunrise Middle School every day that school is in session. KCLC will provide a variety of clubs, academic programs, homework help, enrichment activities, recreation activities, and snacks. KCLC is an engaging and energetic program that will help children succeed both academically and socially!

We intend to provide creative programs and fun activities that will help your child be successful both in the school and in the community. We also hope to provide you with new opportunities to become involved in your child's education and development.

Please review the attached parent handbook.

Thank you!

Fees and Assistance

Due to the absence of grant funds, Buffalo Hills, Meadowlark, Park, and Windy Hills KCLC programs charge a weekly fee. Fees will not be paid by an hourly rate. Parents who are income eligible for Child Care Assistance through Nebraska Health and Human Services (HHS) can contact their social worker to request payment of these fees and pick up an application at their HHS office.

If you are covered by HHSS for childcare, it is your responsibility to contact your caseworker and arrange for an authorization of services to be sent to our office. If an authorization of services is not received, the parent/guardian is responsible for any unpaid balances.

If a child will not be regularly attending the program and there is a waiting list for other children to enroll, the site coordinator has the right to terminate enrollment to offer the program to another child.

Dismissal Policy

Each child will be dismissed daily as indicated by the parent on their dismissal form in the registration packet. All parents/guardians must sign their child out at the end of each day. Persons other than parents/guardians picking up children must be listed on the alternate dismissal form and may be asked to show identification. Parents must provide written notification for children to leave with a person not listed on the alternate dismissal form. A verified phone call may be used in case of emergencies only. The site coordinator may call and request a parent to pick up a child that normally walks or bikes in the case of bad weather or illness.

Due to safety reasons, during the after school program, if a child is signed out and leaves with a parent or designated person, they may not return to the program for the remainder of the day.

Parent Visitation/Involvement

The Kearney Community Learning Center believes that parent involvement is necessary to develop a total learning community for students of all ages. When parents are involved in their children's education, everyone benefits. Parents are encouraged to communicate with teachers anytime parents want to gain or give more information regarding their children's development. The Kearney Community Learning Center is continually exploring new ways for parents to become more involved in the success of their children's learning. Parents are encouraged to engage in their children's education in the following ways: Two-way communication, volunteering, the use of technology, ideas to help their children with curriculum concepts at home, parent representatives for program decision-making, and helping with resources and services from the community to strengthen learning. Parents are welcome to visit the KCLC program with a 24-hour prior notice. Visits to the KCLC program cannot impede or interfere with regular scheduled programming or learning.

Trespassing Consequences

When non-employees violate the visitation guidelines and appear in the school setting, action will be taken to stop the person(s) from interrupting the learning environment. Staff may respond with further limitations. Restrictions on the use of school buildings and grounds may be implemented by administrative action. The Board gives all district and building administrators and their designees full power and authority to implement and enforce restrictions on access to school property and to issue no trespassing commands. Such action shall be taken consistent with constitutional and other legal rights. All district and building administrators and their designees shall have full power and authority to direct any individual or group to leave school grounds and stay away where such individual or group has:

1. failed to comply with identification or check-in procedures,
2. are determined by such administrators or designees to not have a legitimate school purpose to be on school grounds, or
3. who are determined by such administrators or designees to present a risk to the safety of building users or a risk of disruption to the educational program, including without limitation, registered sex offenders.

A refusal to leave or stay away as directed will be considered trespassing and shall be reported by the administrators or their designees to proper law enforcement authorities.

The Kearney Community Learning Center will follow the Kearney Public Schools health policy. For the health and protection of all, students will be required to stay home if they are experiencing a temperature of 100 degrees or more, vomiting, diarrhea, flu-like symptoms, streptococcal infection, pinkeye, or scabies. Students with chickenpox will be excluded from attendance for at least 6 days or until without

Special Education

Mission Statement: The goal of the Kearney Community Learning Center (KCLC) is to provide programs to Kearney Public School students to promote academic achievement, social development, and parent and community involvement.

Procedures:

1. In the event that the district or parent enrolls a special needs student in KCLC, the KPS special education teacher may provide the KCLC site coordinator recommendations for working with the child. These prescriptions may be modifications of the child's IEP, however, it is not mandatory for the KCLC site coordinator to follow the IEP of the normal school day.
2. In the event that KCLC identifies a child as one who may have special needs, the site coordinator and program director will notify the KPS classroom or special education teacher.
3. KCLC staff will support children with special needs for full participation in KCLC programs within reasonable limits. Special education teachers may recommend the child for participation or nonparticipation in KCLC activities: example: quiet time or computer time rather than participation in academic lessons.
4. In the case of a child whose behavior impedes learning, KCLC staff will meet with

classroom teachers to implement appropriate strategies. Behavior expectations should be met. If behavioral strategies are not met, KCLC staff will follow standard KCLC discipline procedures.

5. KCLC may accommodate for other needs, but it is not required to pay for the costs of such accommodations such as transportation, occupational therapy, physical therapy, or building constructions. Questionable accommodations will be discussed by the KCLC program director, site coordinator, and KPS principals on a case by case basis.

Behavior Policy

Kearney Community Learning Center staff will guide children to manage their own behavior. Kearney Community Learning Center will follow behavior policies established for the normal school day.

Children will be expected to:

- Respect the rights and property of others.
- Follow directions from staff and cooperate with others.
- Practice habits of good health, safety and cleanliness.
- Refrain from damaging school and personal property.
- Refrain from physical fighting or excessive contact.
- Refrain from inappropriate behavior and language.

Corrections for misconduct will depend on the frequency and nature of the offense. For definitions of Minor Problem Behaviors and Major Problem Behaviors see next page:

- **Minor Problem Behavior:** Staff will give a verbal reprimand and have a discussion with the child concerning the misconduct.

- **Major Problem Behavior:** Staff will have a discussion with the child concerning the misconduct and develop a plan for correction. Staff and the child will fill out an incident report. This report must be signed by parent/guardian and returned the following day, which will be placed in the student's file. Site Coordinator will make a parent contact and inform the program director of the offense(s).

If a student exhibits 3 major problem behaviors, minor problem behaviors continue to repeat and can't be corrected through the above measures or a behavior is of a serious nature, it may result in suspension or termination from the program as determined by the KCLC staff.
