

Energy Smart Squad Student Agreement

As a member of the Energy Smart Squad, I will:

- Take responsibility for helping my school reduce energy waste by conducting tours of unoccupied classrooms/offices to confirm which Energy Smart actions have been completed.
- Tour only assigned areas and wear my Energy Smart Squad Badge while conducting tours.
- Complete the Energy Smart Recognition Scorecard and leave Energy Smart Squad Thank You Notes while conducting tours.
- Abide by the student code of conduct and follow school rules while conducting the tours.
- Respect staff members' belongings and equipment while conducting the tours. I promise to not touch anything or shut equipment off even if an item is left on (the only exception is moving a computer mouse to determine if a desktop computer is on or not).
- Ask my advisor about any questions or concerns.

I, _____, understand the Energy Smart Squad Student Agreement and pledge to conduct tours responsibly.
