CHROMEBOOK POLICY & USAGE RECEIPT OF NOTIFICATION AND UNDERSTANDING**

Your signature on this document states that you have read, understand, and agree to abide by the compliance requirements of Kearney Public Schools regarding the use of computers and the Internet in the Kearney Public Schools. Your signature also states that you authorize Kearney Public Schools to create and utilize "cloud services" accounts that will be under the control of Kearney Public Schools, but which reside elsewhere on the Internet. (Certain cloud services require parental permission for students regardless of the level of control over the account granted to KPS.)

Additionally, as part of the 1:1 Chromebook initiative, the purchase of an Equipment Repair and Replacement package prior to the deployment of the Chromebook to your child is recommended. Under this agreement, the Chromebooks are protected against accidental damage. This fee does not cover for loss of the Chromebook and/or its accessories, cosmetic damage, or damages caused by intentional misuse and abuse. Kearney Public Schools will assess the Chromebook damage and repair or replace the device if the damage is determined to be accidental and within the protection guidelines. **Parents/Students will be charged for full replacement cost of a device that has been damaged due to intentional misuse or abuse.**
